В защиту Ирана

Предупреждаем всех потенциальных агрессоров, хищников, ассасинов и их нанятых исполнителей: не стоит угрожать Ирану, пытаться его учить и нести туда «освобождение», господа просветители и либералы...
Его культура, цивилизация куда более древняя, глубокая, адекватная, жизнеутверждающая, чем ваша. Вам нечем похвастать, ваша культура, отчасти заимствованная, примитивна, построена на лжи, гедонизме, эксплуатации и разрушении, она пуста, представляет собой вариант мира животных, лишена цели, смысла, справедливости...
Иранская цивилизация основана на разуме, идеях Истины и Справедливости, на том, чего не хватает Западу и его вестернизированным, американизированным, иудоизированным сателлитам...
Да сохранятся во Вселенной познавшие Ее законы и организованные на борьбу со Злом !

In Defense of Iran

We warn all potential aggressors, predators, assassins and their hired executors: do not threaten Iran, try to teach it and bring "liberation" there, gentlemen educators and liberals...
Its culture, civilization is much more ancient, deep, adequate, life-affirming than yours. You have nothing to boast about, your culture, partly borrowed, is primitive, built on lies, hedonism, exploitation and destruction, it is empty, represents a version of the animal world, devoid of purpose, meaning, justice...
The Iranian civilization is based on reason, ideas of Truth and Justice, what the West and its Westernized, Americanized, Judaized satellites lack...
May those who have learned Universal laws and are organized to fight Evil, be preserved in the Universe !

Bastards and freaks in power are a national tragedy, and the threat to national security

It's amazing whether there are any decent people left in Germany in the 21st century who don't participate in beer festivals, homosexual carnivals and lotto draws...
At least, those who don't support the insane antics of the German government...

Their rulers allocate budgetary funds "in support of Israel"- this super-terrorist, occupation, racist quasi-state that hates everyone else on religious and national grounds. They supply it with the latest weapons (for the mass murder of Palestinians, Lebanese, Syrians, Iranians). They give submarines to Jewish fascists, and their corrupt courts repress all those who disagree with the policies of the degenerates in power...
The reasons are difficult to understand: either the German government structures are under the influence of psychotropic substances, or they were honored guests at Epstein Island, or AIPAC is paying them like American senators...
Probably, each authorities in Europe suffer from degeneracy, coupled with corruption...

Judging by the methods of Israel's military-terrorist operations, it was Hitler who created the State of Israel (we're not sure whether Hitler was an illegitimate relative of the Rothschilds, or a British agent like Saddam, but the Nazi Party collaborated with Hagganah)...

Any case, it's incomprehensible to sensible people why the German government has been bending over backwards for 80 years through to please Israel: if they want to financially atone

for their guilt before the 4 million European Jews (some of whom suffered and some of whom were displaced), then why don't these pseudo-Aryans remember their guilt before the 27-30 million dead Russian citizens ?.. The Jews gave them carte blanche to engage in unacceptable behavior, first, toward their own people ?... Are Germany's flawed politicians, their stupid police, their draconian courts really waiting for a second Nuremberg Trials ?..

** NOT just MEDITATION, but the ENACTMENT **

One suspects why that rotten Zion Ben Shaitan is so painfully attractive to the all-powerful, all-knowing, civilized, Christianized West.
It's because the bastard, criminalized governments of the non-human West (including Australia) not only worship the tribal masquerade god of Israel, but have also been secretly laundering vast sums of budget money, for decades funneling them, under various cunning pretexts and tricks, through the filthy *turbo machine* called “Holy Zion”(*tm*)...
And the governmental scoundrels worldwide and their cunning intermediaries are making a very comfortable living off this criminal disgrace...
Part of the devil's money goes, additionally to the latest weapons, for bribing the establishment and to Zionist propaganda...
Thus the definition of "**Dictatorship of the Bastards**" may be applied not merely to Russia, but to the entire rotten, deranged WEST living under the yoke of Zion and its own bastard capitalist puppets...
For this reason, ***Sion delenda est***, and at the first existential threat on the side of Israel and her degenerate sponsors, towards Iran - the oldest civilization, that fictional Zion, the notorious villain, scoundrel and aggressor invented by fabulous creators of the Biblical/Torahitic mythology (and implanted in the brains of the West) - must be exterminated, in order to rid our planet of the ghoulish, corrupting, dangerous Parasite Monster *Golem*....
The change of the fascist regime (aggressive Apartheid) of Israel is needed, though Israel is the part of the vicious Western system, so a powerful coalition of states is needed to confront this monster.

The world must finally get rid of the Israeli plague !
It's no longer possible to tolerate all the atrocities and crimes of the vile alliance Pax Judaica-Britannica-Americana

The American pedophile bastard, nicknamed Trump, as usual, at the behest of Jewish thugs, attempted to organize a new biblical Purim—the bombing of Iran. This is the Jews' favorite, joyful holiday – dancing, jumping on the tables and drunkenness, in memory of the hundred thousand of ancient Persians murdered by Jews (as per their Tanakh)...
Judaism contains a *mitzvah* of hatred toward Persia - and so, for the past 20 years, Israel, with the active assistance of the West, has been busily preparing a vile, treacherous attack on sovereign Iran. That is one of the extremist manifestations of real Judaism...

But this time, no matter how hard the degenerate West tries to help its religiously like-minded murderers, these scoundrels will fail...
Iran is not alone; revenge to the corrupt Judeo-Christian-Sunni scum will be appropriate and adequate ! Every self-respecting person is obliged to help sending the murderers and their accomplices one-way to Hell !

With the Jews, everything's clear, their psychology is expressed in the motto: "*By way of Deception*"; they have always been known for their selfishness, narcissism, vulgarity, meanness, immorality, insolence, lack of a sense of proportion, and theatricality (not to mention their mental aberrations).
But the European nations have greatly degenerated, despite the progress of civilization: the West has turned into a shameful **Animal Farm** – and yet they teach other nations "tolerance," "liberalism," "democracy," "political correctness," "multiculturalism" and other such nonsense, while they secretly rob and destroy all normally thinking, independent people who resist the satanic psychology of those "masters of life"...

In light of the latest aggression by occupying *Zionistan* (a rabid dog, in Moshe Dayan's terms) against the peaceful, civilized state of Iran, as well as the 77-year genocide against Palestine, Israelis must finally experience all the delights of the holiday of Purim... There should be no mercy for all their inhuman crimes, in accordance with the Quran (2:194) and the International Law...
All normal, sovereign, non-corrupt countries are obliged to declare Jihad, Intifada against that cancerous formation of Israel-Zion ben Shaitan invented by the *Rothschilds* and posing an existential threat to humanity !

Sionistas y fascistas no pasarán !

FATWAH-2026 (Anti-Purimspiel)

Israhel - a contagious plague on the body of the Earth, nurtured by rotten Britain and the Jewish oligarchs of the United States, with the consent of the Russian Bolsheviks - this vile, essentially Criminal, Parasitic subculture must be eradicated. Throughout the centuries, Jews have been expelled from many countries for their inappropriate, mean behavior, yet the emancipated Jewry reached such a level of obscurantism, insolence, boorishness, and hatred/contempt for the goyim only in the 21st century, having received far more rights and privileges than all other peoples.

Having become privileged, supremacist and immune to any criticism or punishment, having received permissiveness (as compared to the pathetic goyim), the Jews have gone completely wild, moving, beyond illegal financial operations and fraud, to illegal expansion, seizing other people's property, other people's lands, and determining the policies of Western countries (whose governments they indoctrinated and completely corrupted - look at disgusting USA, Britain, Germany, Canada, France, Australia)...
As we know, a scoundrel, hooligan, a drunken bandit or a mad dog can only be stopped by a punch to the jaw and stomach - no diplomacy, negotiations, persuasion, nor demonstrations might help; he doesn't care, he's simply subhuman, Untermensch… Hence the appropriate actions are necessary...

Just two Martyrs (of many-many others) were enough to declare war on Israel-Zion and all the organized Jewry. Just two innocent victims - Rachel Corrie and Imam Khamenei's little granddaughter Zahra...

Stop, enough, jüdischer Mist ! No more persuasion is needed for dogs and fascists; all we (Iran and his allies) need, are hypersonic and ballistic missiles, hi-tech drones, anti-ship/subs torpedoes, and a fine air defense system. Actions must be rigorous and precise to destroy the critical infrastructure of the snakes nest...

Only love for a decent country, like sovereign Iran, and the commitment to human ideals can defeat the abhorrent Axis of Evil, **Pax Judaica-Britannica-Americana**…
There's no more restraint, nor talks, no more tolerance for the outright enemies !
Zion is a disgrace, insult to humanity !

ARMAGEDDON OR **MIRACLE** OF the MILLENNIUM ?..

A decade ago, Israel dreamed of building a gas pipeline hub in Gaza - on the illegally appropriated territory, on the bones of killed Palestinians...
In fact, this is a dwarf, immoral, devilish quasi-state, dictating its flawed mythological ideology to the world, aggressively imposing its arrogant **Nazi** agenda on the international community... Sickening Jewish Chutzpah: ordering even China to enact idiotic "Antisemitism Laws"...
Considering all the previous 80 years of sad history - the *occupation zone* Habirustan/Hebrewstan/Zionistan, for all its grave atrocities (not mentioning the Bolshevik criminal revolution in Russia), must be completely annihilated as the rogue parasite *quasi state* - to rid the world of the monstrous Plague, the source of many troubles...
Thus the Latter Days Armageddon (**Wrath of God**) has taken place on our planet - the great Battle of **Mahdi** in alliance with **Kongzi** (represented by Iran, China, Yemen, North Korea, Russia) *against* the indoctrinated, judaized **Satan** (personified by Israel, USA, Britain, France, Germany, the colonial kingdoms of the Persian Gulf and other vassals and lackeys)...
In fact, it's a global conflict between the predatory autocratic civilization of **Crooks-fraudsters-robbers-prostitutes-pedophiles-homosexuals-transvestites** under the banner of Judeo-Christianity + Sunni accomplices (the Western and Arab plutocracy), on the one hand, and the civilization of **Rational-human** (not animal)-**peaceful-creative culture** (Iran, China and their allies), on the other hand...
Be on the right side !

WHAT AWAITS THIS INSANE WORLD OF JUDEO-BRITISH-AMI CAPITALISM ?...

The American electronic voting system (blindly copied by Europe, Russia, Ukraine and other vassals) has foisted another Villain on our world, a Pedophile businessman Trumpet von Schwein- a Stooge of the Jewish lobby, friend of the serial killer *Benhazir Satanyahu*, who is again teaching the world democracy, tolerance, hedonism, non-resistance to evil, as well as the Jewish "values", while bombing recalcitrant anti-Zionists, anti-puppets, anti-colonialists, anti-capitalists...
And the Western marionettes howled like rabid jackals and hyenas as soon as an Independent, Sovereign, civilized social formation (IRI) has appeared on Earth, based on Morality and Justice, not on Kapital, Golden Calf, and (*God forbid*) on twisted Halachah...

Now the time has come when the Jewish circus, fraud, obscurantist religious deception and blackmail, the Jewish industries of Holocaust, shows, mass media, advertising, entertainment, porno, financial speculations, political corruption, must come to Finale...
When a fanatical tribe that makes up 0.2% of all humanity, relying on the mythological Torah, brazenly and obsessively dictates to humanity how to live, whom to serve, whom to support and whom to subjugate - such a Nazi pseudo-hegemon becomes a universal irritant...

Finita la commedia on goyishe blood and sweat, basta, schluss... Either Endlösung, or their agreement to live like all *normal* peoples, without a division into the “Chosen” and the Inferior ones...

High time to establish a new Nürnberger Tribunal !

WHY **JEWRY** (tribe *Habiru*) HAS BEEN CAUSING **TROUBLES** to the SURROUNDING PEOPLES at ALL TIMES, since the ancient Rome ?...

Facts that everyone had brushed aside for decades, today became obvious...

In recent decades, the entire global community has become fed up with the tribe Habiru professing Judaism and Zionism - their boundless greed, self-interest, vile cunning, maniacal contempt for other peoples, parasitism, insolence, boorishness, psychopathy, aggression, criminal schemes, mendacity, hypocrisy, as well as traditional theatricality, have become utterly tiresome, sickening...

An extremely selfish nation that respects nobody but Jews alone...

Particularly disgusting is a sophisticated corruption by Israel of the world governments, both Western and Eastern USEFUL IDIOTS, to impose Zionist political agenda, to extract more dividends...
The *indoctrinated nations* fear Habirustan: USA, Canada, Britain, Germany, France, the Gulf sultanates and emirates, Russia, Ukraine, Australia - all the corrupt capitalist entities...

Yet it’s time for the sane people to put an end to this dangerous Virus, throw off the yoke of Golem, turn on their minds and common sense, for the sake of humanity’s survival...

MEDITATION on Nowruz/Al Fitr 2026

The real truth is neither in Mecca, nor in the Kaaba, nor in Medina, nor in Jerusalem, nor in Damascus, nor in Constantinople, nor on Athos, nor in Benares and Himalayas...
The Truth is in the decent People who adhere to Truth, high ideals, and who sincerely defend Justice...
We are not against all the Sunni ARABs living in the Middle East, because we are not antiSemites (like the Jews).
It is the leadership, corrupt rulers of the mini kingdoms of the Arabian Peninsula, even if they call themselves "Muslims", - who are the Enemies of both Shia and the whole civilized world.

Those Arab scoundrels and swindlers (the United CAMEL EMIRATES, SICKBOOBY Arabia, Buckrein etc) are merely the spineless puppets, lackeys of the UNITED SVINES of America, the CRACKED BRITAIN and the greedy, bloody HABIRUSTAN, --> so the bastards must answer for all their vile Crimes - no negotiations with traitors, turncoats in Arab garb... Schluss, basta, no more cheap clowning !

IRAN is the only country in history that dared to challenge the Evil Empire Pax Judaica - Britannica - Americana, heralding a New Era, new epochal prospects for social development on a Just basis...

Hail to the Brave, Wise, Righteous, *alhamdulillah*

21.03.2026

Why do we have so many troubles everywhere ?
Warum haben wir überall so viele Probleme ?

Zion is a defective enclave inhabited by the indoctrinated assasins, it was artificially created by shameless Britain and Jewish oligarchs, and supported by the degenerate Western powers (useful shabbes-idiots)…
The vicious Israeli regime lobbies for Western governments - it's a true crime in disguise. The archetype of the worst Western accomplice to Zion's crimes is Don Trump, a pedophile, blackmailer, gangster, serial killer.

Trump's dads weren't scum to such extent,
For what can this *porn tzar* pretend ?
He's not just clown of Hollywood,
but - ardent pupil of **Talmud**...

Similar rulers lead Britain, France, Germany, Canada, and the Arab vassal principalities. Russia, Ukraine and India have been flirting with Israhel as a "model of Western democracy" in the Middle East...
Well, that abnormal Infectious Tumor must be surgically eliminated, in order to prevent the decay and decline of the entire humankind's organism…
Sion delenda est ! No more negotiations, no way back to deception, hypocrisy and mass murder, goyishe genocide !

Eternal glory to Iran who rose up against imperialist dictatorship and, through unimaginable sacrifices and efforts for the decades, is attempting to restore Social Justice for all of humanity (in a different way than the "Russian" Bolsheviks once tried to do). The main thing is that Iran spends the budget on the national economy and the social development, not on local oligarchs and corporations, as in other countries...

09.04.2026

May Almighty help the esteemed Iran to endure and fulfill its sacred liberating, revolutionary mission before humanity... Mahdi will come from Iran: the revival of humanity is coming - from Neanderthals, corrupted by capitalism and Judaism, from a primitive, animalistic state to a normal, rational, civilized, creatively thinking humanity, evolving for worthy endeavors and good achievements...

Amin خدا را شکر

MEDITATIONS ON THE WESTERN quasi/pseudo-CULTURE

Most rulers of the West and the Middle East are a typical judaized and criminalized degenerates, carrying out the dirty will of a behind-the-scenes Global Rulers like the Rothschilds or Blackrock. The indoctrinated mentality based on Judaism, represents a clinical form of mania, schizophrenia. This is what plagues the USA, Britain, Germany, Canada, Australia, Argentina, France, Russia, Ukraine, the Arab

Emirates, Saudi Arabia, Bahrain, Qatar, Jordan, and similar psychological vassals and morons...
The only revolution that's relevant, urgent, necessary for humanity is to wake up after 2000 years of hypnosis, and rid itself of Judaic/Hebraic/Mosaic/Avraamic perverted obscurantist fanatical ideology- or rather Mythology...

This is the true task of the coming Mahdi/Messiah, as well as of the decent leaders of the *sane part* of the mankind...

FATWA \ ENACTMENT \ VERORDNUNG

To defeat the world's Evil - a final decision must be made, Entloesung

If the destruction of the illegal occupation state of Israel (Rothschildland-Habirustan) ever finally occurs (according to *the law of Karma*), it will lead to the American-British military-industrial complex losing huge orders for weapons of mass destruction, their puppet satellites will be left without work, and the bastard, inferior politicians of Europe, Russia, Ukraine, and Latin America will stop checking in (butting heads) at the Wailing Wall [built by the Emperor Hadrian] ...
Then peace will come to the Middle East, and perhaps the Christians at last will be cured of *Judaic syndrome* ...
Judaism and Zionism are an opium that causes mass paranoia and leads to the degradation of society ...

=

Sollte es jemals zur Zerstörung des illegalen Besatzungsstaates Israel (Rothschildland-Habirustan) kommen (gemäß dem *Gesetz des Karma*), wird dies dazu führen, dass der amerikanisch-britische militärisch-industrielle Komplex massive Aufträge für Massenvernichtungswaffen verliert, seine Marionettenstaaten arbeitslos warden, und die korrupten (minderwertige, degenerierte) Politiker Europas, Russlands, der Ukraine und Lateinamerikas endlich aufhören, sich an der [von Kaiser Hadrian errichteten] Klagemauer zu erscheinen/melden/einzuchecken ...
Dann wird Frieden im Nahen Osten einkehren, und vielleicht werden die Christen entlich von der *Judensyndrom* geheilt sein …
Judentum und Zionismus sind das Opium, das Massenparanoia und gesellschaftlichen Verfall verursacht ...

=

Если когда-либо свершится (*по закону Кармы*) уничтожение незаконного оккупационного государства Израиль (*Ротшильдляндия-Хабирустан*) - это приведет к тому, что американо-британский военно-промышленный комплекс потеряет огромные заказы на вооружение/ ОМП, их марионеточные сателлиты останутся без работы, а ублюдочные, неполноценные политические деятели Европы, России, Украины и Латинской Америки прекратят отмечаться (бить лбы) у Стены Плача [построенной императором Адрианом] ...
Вот тогда наступит мир на Ближнем Востоке, и возможно, христиане наконец-то излечатся от *иудейского синдрома* ...
Иудаизм и сионизм - это опиум, который вызывает массовую паранойю и приводит к деградации общества ...

Sion delenda est, Suum cuique, Jedem das seine,
